CURRICULUM NOTES

1. 2022-2023 Academic Year curriculum will be applied to all students.
2. Before enrolling in INAR 3333 Summer Practice (Construction Site), students are required to successfully complete ISG 9110 *İş Sağlığı ve Güvenliği I* (for foreign students ISG 9120) and INAR 2210 Interior Design I and 20 workdays of Construction Site practice. Transfer students, who have completed their summer practice (construction site), but have not enrolled in the course, can take both ISG 9110 (for foreign students ISG 9120) and INAR3333 in the same semester.
3. Before enrolling in INAR 4433 Summer Practice (Office), students require to complete INAR 3310 Interior Design III and 20 workdays Office practice.
4. Students cannot be exempt from attendance for the courses with applied course hours in which they reenroll because of their prior failure or withdrawal.
5. Students from other faculties than Faculty of Architecture and Department of Industrial Design (100% ENG) must take all compulsory (except for Higher Education Council Compulsory Courses and University Compulsory courses) and faculty elective courses defined in the curriculum of the Department of Interior Architecture and Environmental Design.
6. These elective courses should be among those that are not taken for the Major Program of the student.
7. ISG 9110 and ISG 9210 (ISG 9120 and ISG 9220 for foreign students, respectively) must be taken by all non-faculty students (except Faculty of Engineering students) as suggested in the program.
8. Students whose major programs are in Turkish must pass English exam (FLAT) to apply double major program in the Department of Interior Architecture and Environmental Design.
9. Students, who have taken ISG9110, ISG9210, UFND2020 and/or UFND 6120 in their major program of students, will be exempt from these courses.
10. INAR coded program electives should be taken from the faculty elective pool.
