

## DEPARTMENT OF INTERIOR ARCHITECTURE AND ENVIRONMENTAL DESIGN DOUBLE MAJOR and MINOR PROGRAM

Students who want to enroll in the Department of Interior Architecture and Environmental Design's Double Major and Minor Programs from other undergraduate departments of the University must fulfill the conditions stated at the "[Yasar University Double Major and Minor Education and Teaching Directive](#)". In general, students who wish to start a double major program can apply at the earliest third term of their major program and the latest at the beginning of the fifth term. Applications for Minor program can be made at the beginning of the third term and the latest at the beginning of the 6th term.

Students who meet the necessary conditions may apply for Double Major and Minor Programs to the Student Affairs Office with an official letter before the Fall or Spring term begins. The admission process to the programs is carried out by the Student Affairs Office and is announced to the students after they have received approval from the Department of Interior Architecture and Environmental Design.

### Double major program

The applications are evaluated according to the university's directive. Students applied (4 years undergraduate) from undergraduate program in Architecture are responsible to complete **127 ECTS** (see Table 1). The students from the Faculty of Art and Design-Department of Industrial Design (100% Eng) are obligated to complete **123 ECTS** (see Table 2) and the students applied from outside the Faculty of Architecture (except the students of Industrial Design Department-100% ENG) are obligated to complete **213 ECTS** (see Table 3). The students' grade point average (GPA) in their major program at the time of application, must be at least 2.80 out of 4.00. Students enrolled in the program must complete all compulsory and elective courses that are included in their curriculum. The elective courses must be different from the courses that are taken for the graduation in the students' own major program.

In order to students to graduate from the Interior Architecture & Environmental Design Double major program, the overall grade point average (GPA) must be 2.80 out of 4.00 for each term. Students who do not register for two consecutive terms or below the grade point average of 2.50 will result the termination of the program. Terminated students graded courses are included in the transcript and diploma attachments without being included in the overall grade average.

If a student took elective courses in the previous program, the program coordinator will prepare an adaptation document. Student must follow the decisions of the adaptation document.

## Minor program

The intent of Minor program is to increase students' knowledge in another undergraduate program. Students applied (4 years undergraduate) from undergraduate program in Architecture are responsible to complete **64 ECTS** (see Table 4). The students from the Faculty of Art and Design-Department of Industrial Design (100% Eng) are obligated to complete **62 ECTS** (see Table 5) and the students applied from outside the Faculty of Architecture (except the students of Industrial Design Department-100% ENG) are obligated to complete **78 ECTS** (see Table 6). At the time of application, the students' GPA in their major program, must be at least 2.30 out of 4.00. In order to continue program, GPA must be 2.30 out of 4.00 for each term. Students who do not take lessons for two consecutive terms will result the termination of the program.

Double Major and Minor Programs' Coordinator approves the registration of the courses at the beginning of each term until the graduation.
