

## **2019-2020 SPRING SEMESTER APPLICATIONS TO GRADUATE PROGRAMS**

Below are for the applicants who hold Turkish Citizenship. International prospective students should visit <http://international.yasar.edu.tr/programmes/> for international applications.

### **Graduate Applications (Spring Semester Application)**

Application Period: **Nov 11, 2019- Jan 20, 2020**

Interviews/Oral Exams: **Jan 23, 2020**

Announcements of results: **Jan 27, 2020**

Registration to Programs for Spring Semester Application: **Jan 29-30-31, 2020**

For those who meet the [program requirements](#), please upload below mentioned documents to application platform on the following link of [https://obs.yasar.edu.tr/oibs/oigrsis/basvuru\\_login.aspx](https://obs.yasar.edu.tr/oibs/oigrsis/basvuru_login.aspx) and complete your online application.

### **Required Documents to be uploaded to the online Application platform:**

1. Application form
2. Transcript
3. ALES exam result (for PhD and master's with thesis programs)
4. Foreign language (language of the program) exam result\*
5. Reference letter\*\* ([click here for the sample letter](#))
6. Letter of intent\*\*
7. CV \*\*

\* In order to prove your foreign language proficiency, you need to submit your YDS (a National language proficiency exam conducted by ÖSYM) exam result or the result of an equivalent exam that is acknowledged by ÖSYM. If you graduated from a university, which has an accredited Foreign Language School, within last three years, instead of YDS result you can alternatively submit a formal letter from your university explaining this situation to prove your foreign language proficiency

\*\* Reference letter, letter of intent and CV should be handed out to committee in the competency-based interviews. If there are any other additional documents or portfolio expected by the program you are willing to apply, those documents should also be submitted during the interview.

### **Quotas & Protocols:**

Quotas for 2019-2020 Spring Semester applications to Yasar University Graduate School of Natural and Applied Sciences have been announced. For detail information please [click here](#).

If you are a prospective student who wants to benefit from protocol discounts of Yasar University, then you also need to bring necessary documents during the registration (this document could be proof of your employment, institution identity, proof of chamber/association/institution membership, etc.). Information on fees and payments of 2019-20 Spring Semester are available on the web site of Graduate School of Applied and Natural Sciences <http://fbe.yasar.edu.tr/basvuru/ucretler/> and protocols of 2019-2020 Spring Semester is available on the web site of the Graduate School <https://fbe.yasar.edu.tr/wp-content/uploads/2019/01/PROTOKOLLER-web-i%C3%A7in-2.pdf>

**Registration for The Accepted Students:**

The accepted students should visit Student Affairs during the registration period. Required documents for program registration will be announced on the web site of Student Affairs <http://oim.yasar.edu.tr/> .
